# Reference data
# Eaton 3S 550 AU

| Product | EATON Ref | Short description |
|---|---|---|
| Eaton 3S 550 AUS | 3S550AU | Professional UPS, 550VA/330W, compact protection for home and office computers, 3 AUS outlets with battery backup and surge protection + 3 AUS outlets with surge protection, USB port, HID compliant for automatic integration into major OS (Windows/ Mac/ Linux), Phone/Fax/Modem/Internet + Ethernet 10/100 protection, replaceable battery, wall mounting system |

| Packaging | Size (WxDxH*, mm) | Weight | Number of units / packaging | UPC barcode |
|---|---|---|---|---|
| Unitary packaging | 416 x 196 x 165 | 3.5 kg | 1 product / carton | 743172034694 |
| Pallet | 930 x 1200 x 1110 | 272 kg | 72 cartons / pallet | |

| Package content (Retail colour packaging) |
|---|
| 6-outlet UPS with input power cord (1.50 m) + USB cord + user manual + safety instructions |

| Technical specifications | |
|---|---|
| Technology | Off-line High Frequency UPS |
| Power rating | 550 VA / 330 W |
| Size (W x H x D*) | 140 x 86 x 335 mm |
| Weight | 2.9 kg |
| Output connection | 6 AUS outlets (3 with battery backup and surge protection + 3 with surge protection) |
| Output Voltage | 240 V |
| Frequency | 50 / 60 Hz autoselect |
| Input voltage window | up to 168V-295V, adjustable through software |
| Features | Automatic battery test , fault indicator, reset button (circuit breaker), audible alarm (can be disabled), permanent battery recharge (even when off) |
| Data line protection | Tel/Fax/Modem/Internet ADSL + Ethernet line protection |
| Power management | USB port, HID compliant (Automatic integration into major OS, Windows/MacOS/Linux) |
| Warranty | 3 years on electronics, 2 years on battery |
| Standards and approvals | IEC 62040-1-1, IEC 62040-2, C-Tick, A-Tick, CE mark |

| Typical use | Runtime |
|---|---|
| 1 Entry-level PC with peripherals | 20 min |

| Key selling points |
|---|

- Ideal Protection (550VA/330W) for entry-level PC and peripherals
- 6 AUS outlets for easy connection of a typical computer configuration or Home Cinema/Hi-Fi/video equipment
- Attractive design with glossy finish
- Service continuity : 10 to 20 min battery backup for a typical PC ensures clean internet transactions and download in any situation
