

# Eaton 3S UPS

## Power protection for office and home computer equipment

### Protection against power problems

- The Eaton 3S UPS helps to protect your computer equipment in case of everyday events such as lightning strikes, storms, over-demand on the utility grid, accidents, and natural disasters knocking out power without warning.
- In the event of a total blackout, the unit provides sufficient battery backup time to last through most power outages.
- The 700VA model saves up to 30% energy through its EcoControl function which automatically disables peripherals when the master device, such as a computer, is turned off.

- The 3S also protects telephone, broadband and Ethernet line from 'back door' power surges.
- The shutdown software makes it possible to automatically save your work and shut down your application without losing any data. Once the power is restored, you can continue working exactly where you left off.

### Easy integration and installation

- Attractive design and glossy finish make the 3S a perfect fit for the modern office environment.
- The 3S comes with 6 Australian outlets for easy connection of typical computer configurations with peripherals.
- The 3S features a HID-compliant USB port (cable supplied), for automatic integration with common operating systems (Windows/Mac OS/Linux).
- Compact unit fits on or under your desk or can be mounted on a wall.
- Easy-to-replace battery helps to extend UPS service life.

### Ideal for protecting:

- Computers and peripherals
- Broadband modems (internet and TV)
- IP telephony equipment
- POS equipment

# Eaton 3S UPS (500VA-700VA)

## Eaton 3S 550 AU

1. 3 x Australian outlets with surge protection
2. 3 x Australian outlets with battery backup and surge protection
3. On / Off button + LED interface
4. USB port

5. Dataline protection
6. Replaceable battery
7. Reset button (circuit breaker)
8. Wall-mounting system

## Eaton 3S 700 AU

1. Master Outlet
2. 2 x EcoControl Outlets

## What's in the box:

- USB cable
- User manual
- Safety instructions

## Technical Specifications

Rating (VA/W)	Eaton 3S 550 AU (550 VA / 330 W)	Eaton 3S 700 AU (700 VA / 420 W)
<b>Application</b>		
Output connection	3 outlets with battery backup and surge protection + 3 outlets with surge protection	
<b>Characteristics</b>		
Input voltage	Up to 161-284 V (adjustable)	
Output voltage	240 V (settable to 220 V, 230 V or 240 V)	
Frequency	50-60 Hz autoselect	
Input protection	Resettable circuit breaker	
<b>Battery</b>		
Battery type	Compact, sealed lead-acid (replaceable)	
Battery test	Yes	Yes
Cold start (no mains power)	Yes	Yes
Deep-discharge protection	Yes	Yes
Battery replacement indicators	LED	LED
50% load backup	10 min	9 min
70% load backup	6 min	6 min
<b>Communication</b>	Communications port HID-compliant USB port for automatic integration with most common operating systems (Windows XP, Vista and 7, Linux, Mac OS X), cable supplied	
<b>Line protection</b>	Tel/fax/modem/internet/Ethernet	
<b>Standards compliance</b>		
Safety	IEC/EN 62040-1-1, CE mark, A-Tick	
EMC	IEC 62040-2, C-Tick	
<b>Dimensions, weight and colour</b>		
Dimensions H x W x D	86 x 140 x 335 mm	86 x 170 x 335 mm
Weight	2.9 kg	3.8 kg
Colour	Black	Black
<b>Customer service and support</b>		
3-year warranty	3-year warranty on electronics, 2-year warranty on battery, \$25,000 load protection guarantee	
Warranty+	Extended warranty options available
